Complainant:

ORDER

December 16, 2025

The Complainant alleged a justice of the peace failed to follow procedure in an eviction matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Michael J. Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 16, 2025.

I had a court hearing with Judge
on at I logged onto court connect
hearing @ and waited for my name to be called
upon. Approximately, I phoned where
the Judge picked up and scolded me for calling so
we disconnected. I then waited until and
still wasn't called on. The system disconnected me
from the court connect hearing so I tried logging
back in and was told I've been locked out. I tried
calling the number again and the phone just rang.
Ultimately, the Judge favored the plaintiff and
I was given a failure to appear. I had substantial
evidence to prove my case and I didn't have a
chance to be heard. Additionally I have evidence
proving I was at the hearing on time and well past.

I also took screenshots of the hearing and video proving I was there and on time! I am now in transitional housing because of the Judges decision ^{and} under the guidance and direction of . In closing, I wasn't treated fairly and appropriately by the Honorable or the system. I'd like to be heard in the court of law and in this case I was not.
