**ORDER**

February 11, 2026

The Complainant alleged a superior court commissioner was biased and had a disrespectful attitude in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 11, 2026.

SOMETHING HAS TO BE DONE ABOUT  
THESE JUDGES IN

I'VE TALKED WITH OTHERS WHO  
HAVE NOT BEEN TREATED FAIRLY &

Respectfully.

Arizona Commission on Judicial Conduct:

On [redacted] I was ordered to appear in front of Judge [redacted]  
[redacted] Judge [redacted] has taken over for Judge [redacted]

If you recall, I filed a complaint against Judge [redacted] and it was very obvious he had spoken to her about this. It was also quite obvious I was in real trouble, and Judge [redacted] made it quite he would take my house away from me. This is absolutely disgusting and I don't deserve having my home taken away from me.

Then on [redacted] I received another summons to court in front of Judge [redacted] she will be kicking me out of my home. This is devastating, unfair and has been my wife's goal since the beginning.

The law in Arizona is 50/50 and I'm not getting even to that. I tried to talk about that to Judge [redacted] but he pretty much told me in no uncertain terms to go to hell. His attitude was just as disrespectful as Judge [redacted]

In fact, one of my wife's friends was in the courtroom. She was pointing at me, laughing and making rude gestures. I know Judge [redacted] had to of seen this and he did absolutely about it.

I very much believe these three judges have it out for me and taking away my home is the worst thing they can do, and enjoying every minute of it.

I WANT THE LAW FOLLOWED! 50/50! My wife will lower to price of the house to make sure I get nothing. Her current proposal will give me [redacted] and her [redacted]

I sure would like somebody in your office to explain why you are OK with this. It will devastate me as well as my granddaughter that lives with me.

I JUST WANT WHATS FAIR AND COMPLETELY FOLLOWING THE LAW, WHICH THESE JUDGES ARE NOT DOING.
