Disposition of Complaint 25-564

Judge:

Complainant:

ORDER

January 30, 2026

The Complainant alleged a superior court judge had poor demeanor from the bench.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on January 30, 2026.

to make a ruling on his mistake he cut me off from speaking which violates Rule 81 Rule 2.6 A) Ensuring the right to be heard and Rule 2.8 B) he was not patient with me the litigant and him the legal professor/expert. As a resolution I would like judge to be removed from office forever... to pay me a fine of million and or also each and every asset, bond, stock ect. This is a delay tactic with the prosecutor and defense council of collusion. He was aggressively speaking to me causing me to be in fear of my life for his own personal interest and others. He is manifesting injustice against me causing to be in fear of my life discipline to the full extent of law with my regards, check the FTR of the court dated please and thank you.
