**ORDER**

February 13, 2026

The Complainant alleged a superior court commissioner failed to follow the law and engaged in an ex parte communication in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Cathy Riggs did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 13, 2026.

Good day, I have been going to the court starting to school shooting threats to my child's school and schools in the district, there was also school evacuation to explosive package threat. Child's mother was also being unreasonable with child private space and personal things as mother was having sex with our child in the bedroom as well as letting child be assaulted by mother's boyfriend. I have given the courts my Dr. letters from the which refutes the false claim made to the courts that mental health is being neglected as a means to keep child unjustly violating A.R.S. 25-403.05 The Courts shall not restrict a parent's custody or parenting time, unless there is actual evidence of harm to child by parent of military service or PTSD.

On \_\_\_\_\_ At \_\_\_\_\_ the Judge  
and lawyer \_\_\_\_\_ where in the  
court room for over 10 min hourly EX PARTE  
as I entered the court room the lawyer  
was laughing back legs cross laughing  
with the judge after hearing my  
name I assumed I was being spoken  
of. I said hello to the judge and  
asked the lawyer if he was hourly a good  
time. This unprofessional behavior has  
created an impression of already lost  
favor. I have completed a mental  
evaluation, shows I am  
no threat to self or others, Judge  
wouldnt except is wanting a different  
eval, so I complied with the bias  
of not having a therapist option, and

I can not afford it. I believe this  
is a tactic by the judge and lawyer  
keeping my child who I've had 50/50 custody

yes!
