

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-583

Judge:

Complainant:

ORDER

February 13, 2026

The Complainant alleged an appellate court judge failed to follow the law.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Michael J. Brown, and Cathy Riggs did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 13, 2026.

Dear Commission Members:

It is very simple. Your jobs are very explanatory. DO YOUR JOBS as OVERSIGHT COMMITTEE MEMBERS and INVESTIGATE ALL THE CRIMES disreputable Judge has committed, i.e., "aiding and abetting" WAR CRIMES per HUMAN RIGHTS VIOLATIONS, report the BASTARD to the US DOJ, Criminal Department's HRSP (Human Rights Special Prosecution Section) that handles "war criminal activities" and PROSECUTES the murderous monsters, or RESIGN and allow OTHER HUMAN BEINGS with MORAL COMPASSES to perform NOBLE JOBS that YOUR INCOMPETENT CORRUPTED MEMBERS have IGNORED.

There ain't NO WAY, JOSE, I am allowing either wicked CJ's to get away with their CRIMES OF THE CENTURY after being tortured almost to death for "f-ing" years. Your "Good-O'-Boys Network" died years ago with PERVERT OF THE law firm whose lobbyists for your judges' pay raises made sure corruption occurred on a daily basis. Too bad, so sad, this is and America is fed up with the 0.01% and their thievery, and if you don't believe me, I just printed at least 3,000 sheets of legal documentation by EXPERTS in every conceivable trade-and-commerce occupation to bring to the table as great conversationa pieces and damning court evidence. We can start with the US Department of Treasury Fat Report?

Let me put it in clean unadulterated ENGLISH. I am DEMANDING MY HOURLY WAGES in SIX CORRUPTED CASES, first, so that I can compete as a consumer in trade-and-commerce with my lack of purchase power for the last "f-ing" years because your AZ Commission Members DIDN'T DO THEIR JOBS and supported ORGANIZED CRIMINAL ACTIVITIES in their CRIMINAL ENTERPRISE as MONOPOLISTS in their MONOPOLY in the corrupted American Jurisprudence System which we are FINALLY GOING TO HAVE A CONVERSATION re: POLICY REFORMS LONG OVERDUE.

And I know you actually don't think I am letting all of you get away with these war criminals aiding and abetting SEVEN CASES; commencing with ALL THE FRAUDS on those SEVEN CASES to CONCEAL State of AZ, Cnty., City of financial (financial terrorists) racial gentrification civil war from neighborhood to neighborhood, land-grabs, abusing mental health and psychotropic drugs to POLITICALLY AND SOCIALLY "SILENCE" enter family's "freedom of speech" via "retaliation" per the First Amdt. as WAR CRIMES per HUMAN RIGHTS VIOLATIONS. Contrary to that delusional white collar criminal US Supreme Court CJ Roberts, their ain't any s/l's re: FRAUDULENT JUDGMENTS, i.e., 415 years later, Hague, Netherland judges awarded "REPARATIONS" to family members whose relatives were ENSLAVED. A 2019 RULING and set global precedence and warnings to all other countries.

You are all so CUTE. You think I am as DUMB as ALL OF YOU ACT! Where the "f" are my thirteen of AZ licensees from 13 separate law firms for 13 separate cases? Pro Hoc Vice? I would prefer that they are hired by former US DOJ "AUSA's" who didn't have moral compasses per IN RE HIMMEL!

Lastly, where the "f" are all my FINANCIAL DAMAGES and other LEGAL RELIEF? Your SOB's defamed me per slander, libel, and false light placing my life in peril for LIFE!

Do your JOBS and reopen up those 13 cases, OR expect to meet me in District Court of AZ with visiting judges and magistrates that I WILL SELECT; based on their expertise in the areas of high-profile criminal activities. NOT because I don't have any political or social connection to those judges because I don't.

P.S.: I look forward to all of your members doing a WONDERFUL job; federal stacked life sentences are NOT pleasurable. If you don't report WAR CRIMES, you are aiding and abetting and will face criminal prosecution during your lifetime because there is NO S/L's re: criminal prosecutions. See:

Judgment At Nuremberg (Nazi trials) US Sup. Ct. Justice Robert Jackson was the lead prosecutor at the Nuremberg Trials; and

"In The Justice For Victims of War Crimes Act of 2023" Public Law passed Jan. 03, 2023,

the AZ Commission Members DON'T HAVE A CHOICE.

P.S.S.: Your CJ stole bn. dollars in financial damages. I want those financial damages BACK since INCOMPENT, CORRUPTED GOV. AND AZ refused to settle-out-of-court! I can make that number jump to bn. dollars in District Court of AZ via Gonzales v. Commonwealth of PA (State did NOT train its judicial officers in ADA, ADAAA, and RA "reasonable accommodations, i.e., "goods, services, and programs", i.e., appointing attorneys for 9,6060 days of daily public nuisance crimes against DEMOCRACY, against ME, against my family, and against my community, state and federally.

Dear AZ Commission members:

you don't have a choice. You have to REPORT WAR CRIMES, TEASON, and TERRORISM by AZCAP disreputable and his INCOMPETENCE. Anytime there is INJUSTICE all PROCEDURAL RULES ARE SUSPENDED. Look at AZCAP's own procedural rules. At that nasty INCOMPTENT BIASED AND PREJUDICED Judge and Judge DISCRIMINATED AGAINST me per ADA, ADA, and RA (Peters v. University of Cincinnati, College of Medicine and Gonzales v. Commonwealth of PA (The State of AZ was required to TRAIN ALL "JUDGES" IN "ADA, ADA, and RA 'REASONABLE ACCOMMODATIONS'" per "goods, services, and programs, i.e., AZCAP pro bono program, two scoundrel CJ's and were required to APPOINT THIRTEEN OF AZ LICENSEES!) HELLO! WAR CRIMES, HUMAN RIGHTS VIOLATIONS, PUBLIC NUSIANCES, PUBLIC CORRUPTION, AND SLAVERY, INDENTURED SERVITUDE, AND FORCED LABOR per conspiracy to commit forced labor, forced labor, and money laundering of forced labor!

It will take your commission YEARS to review all thirteen cases, so don't think I will accept your lamb one ameba cell "one liner" we have reviewed. Like hell you will have professionally reviewed one case, let alone 13 complex cases fraught with systemic corruption by war criminals!

Email Gov. and instruct her to pay cases in billable hours that does not include thru billable hours, so that I may compete in trade and commerce per the US Const., Commerce Clause and purchase a real estate property; otherwise, expect a civil rights at your door, shortly, with five antitrust violations and A.R.S., Sect. 44-1521 and 1522 (false and deceptive practices in trade and commerce) in violation of the Commerce Clause in BUSINESS! It is NOT MY FAULT that your members don't carry MORAL COMPASSES and have NO ETHICS.

To motivate your Committee to SETTLE OUT OF COURT (Platt v. Moore, (citing Martineau case on page 15), I will file a notice of claim soon.

Exhibit #1:

Did :

please keep me posted on:

I have wanted to live in the for YEARS, but haven't had the opportunity because of all the corrupted judges and attorneys in the State of AZ re: Airey v. Ireland and McDonald's Int'l v. Steel & Morris (billable hours case) and five ADA, ADAAA, and RA discrimination cases per Peters v. University of Cincinnati, College of Medicine. Recently, one AZCAP dismissed, illegally, THIRTEEN CASES. The AZ Commission on Judicial Conduct Committee is LIABLE, legally, civilly, criminally, and financially. Telling me that I didn't make the DEADLINE TO FILE is ludicrous. Everyday, financial terrorists-Kleptocrats cause systemic public nuisance cases against DEMOCRACY and its constituents, like me. I cannot keep up with the paperwork, let alone all the cases. To date for the last 25 years, the State of AZ was required to appoint of AZ licensees -- days of hell with the Contract From Hell; referencing, the Office of Administrative Hearings Judge fraudulent "February 07, 2000" "Findings of Fact and Conclusions of Law" accusing me and my deceased mother of hiring two "Contractors From Hell" prior to our administrative hearing. Great going AZCAP and your lack of inquiry into the first of seven corrupted cases out of thirteen cases you didn't review.

We are going to blows, legally, and, financially, for years of filthy corruption on AZ's judicial bench supported by financial terrorist-Kleptocrat demonic "God of Money" worshipping INCOMPETENT Arizona governors and their devious methods of chilling consumer competition in trade and commerce per the US Const., Commerce Clause as MONOPOLISTS in the MONOPOLY GAME OF LIFE while violating five counts of antitrust laws and A.R.S., Section 44-1521, 1522 (false and deceptive business practices.) Too bad the AZ Attorney General's Office 500 + State Bar of AZ licensees don't know how to clean out the corruption and chose not to for 29 years and then some; leaving such tasks to God.

I went to a church near this property and prayed with the congregation to have Elohim, The Mighty Creator, show me where he wants me to live on this planet. To say I was broadsided is an understatement. I couldn't believe you sent me a property that I have no problemo paying the full amount of the seller's price, once I am paid my "hourly wage" in at least one of my cases. owes me million dollars for my hourly wages for that does not include years of backpay as a "Complainant" and as a "State and Federal Officer" per A.R.S., Section 38-231 "Oath of Office". Once I signed that OATH, the State was required to COMPENSATE ME as a "STATE WORKER" in violation of 42 U.S.C., Sections 1981 (right to contract) and 1981a (Employment Discrimination) per Hostile Work Environment - Intimidation, Harassment, Threats, Acting Upon Threats, and Bullying, i.e., having my health provider schedule me for one appointment that I didn't schedule to drive me to a "mental facility" on WHICH is a WAR CRIME. I am investigating my Health Plan and its corrupted war criminals called "serial criminal-state actors" per its contract with attached to and that profits dollars a year, The wicked in this medical plan plotted to POLITICALLY AND SOCIALLY SILENCE me with psychotropic drugs in violation US Const., First Amdt., "Freedom of Speech" and "Retaliation" per terrorism, war crimes, and treason. Evil SOB's! And these kinds of CRIMES ain't CHEEP!

If Gov. doesn't wise up and pay at least one of my billable hours in at least one of my cases out of 13 cases prior to settling, I will petition visiting federal judges and magistrates to appoint SPECIAL PROSECUTORS and their TEAMS to served GRAND JUIRY INDICTMENTS against INCOMPETENT Gov. and her administration including all State, cnty, and city attorneys for not cleaning out the corruption in the State of AZ, Cnty. for torturing me per premeditated murder and genocide similar to my mama and others over "LAND-GRABS".

So, if I am to stay in Arizona while God cleans out the POLITICS or its CRIMINAL ORGANIZATION; operating, AZ as a criminal enterprise for the 0.1% to the 0.01% obscene criminally rich who haven't paid their fair share of federal taxes (90%) rather than (40%) and their corporations' taxes (52%) since the mid 1970's setting the USA up for its destined next civil war that all global countries suffer, historically, when robbing the constituents of 50% or more of the laborers' wages for personal gain and greed, I hope God choses as the property for me.

In the meantime, I am reorganizing my almost 700 sq ft space, setting up buckets for binders and thousands of pages in damning evidence against Arizona's wicked "God of Money" worshippers prior to moving. The State owes me for storage space for my law books for the last five years, and I am READY to surrender the unit to another family member. , you do know that my family owns a downtown property worth dollars in per Alright Parking System v. Cnty. Boad of Equalization (Tulsa, OK Supreme Court case in 1962) "condemnation" "fair cash value"; based on, the businesses adjacent to it, i.e. ASU-U of A Medical School valued at \$150 mn. dollars in 2004.
