

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-590

Judge:

Complainant:

ORDER

March 3, 2026

The Complainant alleged a justice of the peace improperly denied motions to set aside and seal the records.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 3, 2026.

so the reason why I am filling this complaint is because in _____ of _____ I had a Court dat because the judge re opened the case do to a motion and seal of records request also I had done a set aside at the same time of the seal of records but trying to actually seal records I had showed up for court addressed my situation on why I needed the seal because I was asked why so I explained that I had done everything I was told and was told it was supposed to be dropped and dismissed and so I was trying to seal she said she could not do anything to seal the records because I was trying to get a job and I had finished everything and learned a very valuable life lesson well yes I got upset and carried away that's basically because I was upset and tried to explain that I was forced into the plea agreement and couldn't explain when my lawyer was present because my lawyer was forcing me to take the plea agreement and I was afraid to say something about it to the judge she tried to explain that she reads her papers asking me these questions if I'm being forced or promised and wouldn't understand the situation that I was afraid to say anything about it in front of my attorney

I'm sorry that I got carried away and escalated the situation but I'm really just trying to get things done and dealt with because I'm in a difficult time with financial and already getting enough financial assistance I can receive but not enough just trying to fully pass a background check without problems and moving on with my life in a good way please and thank you also if I forgot to mention the judge also said it would be dismissed if I got everything done with and she lied to me.
