

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-611

Judge:

Complainant:

ORDER

April 14, 2026

The Complainant alleged a municipal court judge made inappropriate comments regarding her mental status in a protective order case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Roger D. Barton did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 14, 2026.

I would like to make a complaint against
Municipal Court judge. On
Judge made comments about me. Without even knowing me. She made comments
About me regarding my mental status.
Without her knowing me. The defendant has been harassing me ever since he moved in

The only reason I was outside that day was

Continuation to complaint against municipal
Court judge or . This judge
Violated my privacy rights as well as treated me like a criminal. She exposed that the
Management company gave me a 30. Day
Notice to vacate because of end of lease.
The judge also treated me like a criminal
Because the defendant presented a video
Of me in the parking lot of the apartment complex. No date was given if that video.
That video could have been taken months
Ago. Also the judge should have taken into
Consideration that if the defendant felt
I was was a threat he should have called the
Police. But he didn't. I have every right to
Be outside of my apartment parking lot.
I was not yelling at him or threatened him
The judge should have taken this into consideration instead she treated me like
A criminal. I am employed by the city of . And now my job could be in
Jeopardy because of this judge. She kept
Insisting that the defendant get a protective
Order on me. Because of this judge I could
Lose my job.
