COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-618

Judge:

Complainant:

ORDER

April 7, 2026

The Complainant alleged a superior court judge improperly threatened him with incarceration if he did not take a certain medication.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on April 7, 2026.

Add this to the complaint against _____, since I have him named in the lawsuit with
County Court,

Judge and County Court forced me to take the wrong blood
pressure medication, which makes my lips swell shut and you people stated no
wrongdoing

My finger points at the allergy list, which shows that.

The summary shows how Doctor with told me to take the
medicine or would jail me and of course you all stated no wrongdoing !!

Re-open the complaint and add to the complaint

*** This is being forwarded to The Honorable !!!
