

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-623

Judge:

Complainant:

ORDER

April 21, 2026

The Complainant alleged a municipal court judge was biased against him and improperly ordered him to pay restitution in criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 21, 2026.

COMPLAINT AGAINST A JUDGE

Name: _____ **Judge's Name:** _____

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

When I asked proof that the town of _____ did have to clean up for the accident. They did not allow me to see it. I only accepted the plea deal since they were going to take away and said I had to pay it.

All I wanted was proof because my car was not towed away and the police did not call a clean up crew.

I know you can reverse it and that is not my intentions. But he wouldn't even look at the police report I sent with the amendment. There is not a tow sheet and being forced to pay illegal restitution.

If anything I am learning that the courts really aren't here to support citizens. And the judges are bias.

The way they handled it was intimidation. I decided to take the plea only because I want to move forward with my life. But in the process they just took advantage of the fact.

Justice isn't real. Especially when its a human upholding it because its just how they feel, their mood, or perspective that really decides.
