

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 26-026

Judge:

Complainant:

ORDER

April 7, 2026

The Complainant alleged a superior court judge made an improper decision and was biased toward the State in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on April 7, 2026.

6 NOTICE OF OBJECTION

7
8
9 I want it made clear that I Object to the Request and Order granting Extension of Time because it goes against
10 the laws of this State - Constitutional and Statutory - and the Rules of Criminal Procedure.

11
12 This court, Judge specifically, has committed sabotage and obstruction of justice by not mailing me a copy of
13 it: Minute Entry, as well as granting two illegal extensions.

14
15 The State of Arizona is asking for an extension of time THREE MONTHS PAST their second illegal deadline. Moreso,
16 they too did it with intentional sabotage and obstruction of justice by not mailing me a copy of their
17 motion on the same day as to the court but rather seven (7) days later after it was granted.

18
19 Judge is in collusion with the State to do me harm because he allowed ex parte communication between
20 himself and the State. He didn't mail his Order until which I received on

21
22 For the above reasons, I OBJECT to the Motion and Order granting Extension of Time, in violation of my equal
23 protection and equal treatment of the law; U.S. Constitution, 14th Amendment.
