

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 2026-039

Judge:

Complainant:

ORDER

June 5, 2026

The Complainant alleged a superior court judge made improper rulings in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Regina L. Nassen and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 5, 2026.

On _____ at _____ Judge _____ ruled on my case which had been pending for over a year. She refused to address all issues, items and concerns on the original order to enforce a court order or even listen to additional testimony about the items, about the penalties and interest due in my case. She stated she cant consider new items but they were n the poriginal order. She didnt have her facts or information straight. Every tikme she ruled she has left me wondering exactly what happened as she is not clear. I dont speak court lingo. Even my ex husband was not aware from the prior rulings she had held him in contempt and was confused. She left the court without giving a clear understanding of what was happening or what her final ruling meant and how to even collect my purge payment. She was rude and abrupt as well as not showing an compassion or williinngness to address the issues raised in the original order to enforce. She has not ruled that I cant file additional docukments and this now has cost me time as money. I am filing an appeal on her order since she even choose to disregard her previous ruling stating penalties and interest were due me on the sanctions she ordered. I have never seen a judge have a total disregard like this or even fail to hear they original case brought before her referring back to an older issue not even the one in front of her. Her staff are also rude when you call and very condesending.
