Disposition of Complaint 26-106

Judge:

Complainant:

ORDER

May 26, 2026

The Complainant named a superior court judge but did not articulate an allegation of misconduct.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on May 26, 2026.

COMPLAINT AGAINST A JUDGE

Judge: (?) –

They prosecuted without testimony. The defendant was not of sound mind. The victim or witness never gave testimony. There was no testimony in the case at all. Nobody was notified of the case except the person they incarcerated.

The judge is ignoring my request for a post conviction. He's ignoring my letter I sent to him representing myself. I notified the judge, the prosecutor, and I contacted them in writing thru email and I have not heard from them in days.

He deserves to be free and not attached to legal issues. I'm requesting a release date of _____. I will not back down. I'm standing up as the _____.

_____ I was in a bad car accident. This prevented me from being there for _____, but why was _____ not involved in this case. She was legally responsible for him. Instead you inprosonated my husband wrongfully. As a human and as an American citizen I have that right to speak on my behalf. Why did you take that away. This is so unfair.

Please take the time to make copies and allow everyone to be aware of the circumstances. It's your legal obligation. This case has not been closed because we are submitting a post conviction form to request a hearing, but in the meantime I request _____ to be discharged and I will become the responsible party for him. We are not dragging our feet. We need to do something right now.

All I'm trying to do is talk to the judge. He is the one who has control over freedom. Do something quickly

Hello:

Thank you for the clarification regarding your complaints with the Commission on Judicial Conduct. Are you able to provide a case number(s) for case – it appears there are several criminal cases for him in County Court, so it would be helpful if you could provide a case number(s) so we know we are looking at the correct case.

Also, this agency only has jurisdiction over judges. We do not have jurisdiction over attorneys. Complaints against attorneys must be made through the of Arizona. If you are having difficulty in speaking with the you may wish to review the information on their website regarding submitting a written charge.
