

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 26-164

Judge:

Complainant:

ORDER

May 28, 2026

The Complainant alleged a superior court commissioner failed to follow the law in a criminal case by issuing a lenient sentence and was biased.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer. In this instance, the Commission found no evidence of any violation.

The Commission received multiple complaints regarding the sentence issued by the judicial officer in an animal abuse/cruelty case. Additionally, an animal rights website urged individuals who disagreed with the decision to file complaints with the Commission. Due to the volume of complaints and the web criticism, the Commission has chosen to issue this explanatory statement.

The sentence issued by the commissioner was within the lawful sentencing range for the crime of which the defendant was convicted, a class 5 felony. The commissioner's sentence exceeded the recommended sentence requested by the State. The defendant has appealed his conviction, and it will be up to an appellate court to determine if the conviction/sentence in this matter should be affirmed or reversed.

The complainants generally expressed that they felt the sentence in the defendant's case was too lenient. The Commission is not a reviewing or appellate court. It is a regulatory body. The Commission has no power to reverse judicial decisions or to direct any court to do so.

After reviewing all relevant evidence available, the Commission concluded that there was no evidence of any Code violation. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

On _____, the _____ Police Department recommended felony animal cruelty charges, and on _____, a _____ a County grand jury indicted _____.
