

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 26-170

Judge:

Complainant:

ORDER

May 28, 2026

The Complainant alleged a superior court commissioner failed to follow the law in a criminal case by issuing a lenient sentence and was biased.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer. In this instance, the Commission found no evidence of any violation.

The Commission received multiple complaints regarding the sentence issued by the judicial officer in an animal abuse/cruelty case. Additionally, an animal rights website urged individuals who disagreed with the decision to file complaints with the Commission. Due to the volume of complaints and the web criticism, the Commission has chosen to issue this explanatory statement.

The sentence issued by the commissioner was within the lawful sentencing range for the crime of which the defendant was convicted, a class 5 felony. The commissioner's sentence exceeded the recommended sentence requested by the State. The defendant has appealed his conviction, and it will be up to an appellate court to determine if the conviction/sentence in this matter should be affirmed or reversed.

The complainants generally expressed that they felt the sentence in the defendant's case was too lenient. The Commission is not a reviewing or appellate court. It is a regulatory body. The Commission has no power to reverse judicial decisions or to direct any court to do so.

After reviewing all relevant evidence available, the Commission concluded that there was no evidence of any Code violation. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I'll try my best to be respectful, but when it involves a despicable decision by a judicial representative that can be tough.

Your " County Court Commissioner" needs to be reprimanded and removed from the bench after her unbelievably disgusting sentence given to animal murderer, That might give her some time to think about what she's done.

What on earth are you people thinking out there when you go to the voting booth?!

I may have no sway as a but I have many friends in AZ who now are ALL aware of this and will be contacting you, as well.

Hope sleeps well at night.
