

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 26-204

Judge:

Complainant:

ORDER

June 2, 2026

The Complainant alleged a municipal court judge is biased and has a vendetta against him in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Michael J. Brown, and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 2, 2026.

My Name is . I'm still trying to file a complaint against the Preciding Judge working on this case. I don't know why this case was reopened after 1 Year. This Preciding Judge is holding some personal vendetta against me because of my Diagnosis. I was originally scheduled to appear on . But, got rescheduled for . I feel this just don't want to respect that I need my job. I have never been in trouble with the law. I requested dismissal of the charge. He's refusing. I am not given details of the incident on where the incident took place and who filed the charges. I feel this is illegal and not providing information that needs to be provided. So, I feel like this case should be promptly dismissed when I appear on . My friend who is a Professional Private Investigator looked into this. He said it was The City of . But, who from The City of is saying this? I respectfully request penalties be reduced. Any questions, please feel free to reach out.
