Disposition of Complaint 2026-206

Judge:

Complainant:

ORDER

June 5, 2026

The Complainant alleged a superior court judge was biased in a criminal case and disallowed his witnesses.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Regina L. Nassen and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 5, 2026.

Hello,

I was born in _____, AZ (called _____ at the time). I was raised as a member of the _____ (_____) a "_____"

religion. Some of the unique beliefs of that religion included having

_____ the choice to engage in those types of activities, was not the member's choice. The leader known as the _____ made the choice for them. If you did not follow his orders, you were failing God.

I left that culture over _____ decades ago and now do not live or practice any of those activities.

I live and still deal with large groups of people from the area that are family and friends. They have seen a clear prejudice in the legal system here in _____ County. We have little confidence in the judicial system in _____ County.

I was recently put on trial for ten images found on a workstation owned by my company. In that trial, I experienced what looked to be a clear example of bias. The prosecutor, _____, threatened to introduce some of my past history from the time I was in the _____ to get my character witnesses to not testify. After

Judge _____ agreed to allow them to in pretrial. Because of this, Judge _____ decided to allow my witness to be suppressed in trial. I had no character witnesses in my trial.

I feel that Judge _____ showed a clear prejudice against me, because of my past.

Can you please look into my case and all the other cases that included people from , AZ. specifically, Sexual offenses and Minors. I believe the prejudice stems from some of the practices of the and a misguided belief that everyone from there is guilty of them.
